### What is Exiflea Household Spray?

Exiflea Household Spray is scented and safe to use around your home for flea control. Exiflea Household Spray is administered to pet bedding, furniture and carpets and not to your animal, making it safe and highly effective at removing the source of flea problems.

### How does Exiflea Household Spray work?

Exiflea kills fleas and larvae quickly before they have a chance to jump onto you or your pet, ensuring you no longer have to deal with fleas in your home. Exiflea acts fast, within minutes, and lasts for up to 30 days.

### How do you use Exiflea Household Spray?

Ready-to-use spray. Apply a light spray to furniture and pet bedding where adult fleas are present or suspected of being active

### Is it safe to use?

Exiflea Household Spray is safe to use around animals but do not spray Exiflea directly onto pets.

## HOUSEHOLD FLEA SPRAY

**ACTIVE CONSTITUENT: 0.125 g/L IMIDACLOPRID**

To control fleas on carpets, pet bedding and surrounding areas

### HOW TO USE

#### SHAKE WELL BEFORE USE

Apply a light spray to carpet, pet bedding and surrounding areas where adult fleas are present or suspected of being active, including kennels, pet's bedding, chairs, carpets and under furniture.

Hold at a distance of approximately 20 to 30 centimetres to apply spray.

Re-apply to carpet surfaces after vacuuming.

Re-apply to pet bedding after it has been washed and dried.

If necessary, re-apply monthly, particularly throughout the warmer, humid months when fleas are most active.

**NOT TO BE USED FOR ANY PURPOSE, OR IN ANY MANNER, CONTRARY TO THIS LABEL UNLESS AUTHORISED**

### PRECAUTIONS:

#### CAUTION

DO NOT allow chemical containers or spray to get into drains, sewers, streams or ponds.

Do not spray directly onto humans, pets, exposed foods, food utensils or food preparation surfaces.

### STORAGE AND DISPOSAL

Store in the closed, original container in a cool, dry place out of the reach of children. Do not store in direct sunlight. Dispose of empty container by wrapping in paper, placing in plastic bag and putting in garbage.

### SAFETY DIRECTIONS

May irritate the eyes and skin. Avoid contact with eyes and skin. If product in eyes, wash it out immediately with water. Wash hands after use.

### FIRST AID

If poisoning occurs, contact a doctor or Poison Information Centre. Phone Australia 131126, New Zealand 0800 764766.
